

Champion Seating Co.

Our exciting **All Star Series** chair control features ergonomic, easy to adjust design, high-performance functionality and most of all COMFORT! Everything you want and always at a price you can afford, is the down to business attitude emphasis in Champion Seating chair designs. Exclusively on the All Star & All Star mesh back chairs.

Simple levers are easy to find, understand and use, as the chair promotes healthy sitting and back support. COMFORT equates to a productive workday!

<p>1. Quick Adjust Back Height Lift up on the back to adjust the height to one of seven preset positions. Lift the back to its maximum height in order to release the internal back height mechanism and return the back to the lowest position.</p>	<p>2. Arm Height Adjustment To adjust height, lift up on the arm trigger. Release trigger to lock the arm into desired placement.</p>	<p>3. Arm Width Adjustment To adjust width, turn knob under seat clockwise to loosen. Adjust arm to desired width, then turn knob counter clockwise to lock position. Repeat with other arm.</p>
<p>4. Tilt Tension Turn clockwise to increase tension, counter clockwise to reduce tension</p>	<p>5. Seat Height To raise seat, lift your weight off the seat and pull up on the lever; release lever when your seat reaches desired height. To lower the seat, lift up on the lever while you are seated; release lever when your seat reaches desired height.</p>	<p>6. Tilt Lock While leaning forward, tilt knob downward to lock tilt position, of seat and back. Tilt upward to unlock, lean back to activate (release) seat and chair-back to normal posture mode.</p>
<p>7. Seat Depth To change seat depth, lift and hold the lever as you push the seat forward and backward. Release the lever to lock seat in place.</p>	 www.championseating.com
